If You Become Trapped

In your home:

- Stay inside until the fire passes
- Close all windows
- Keep all doors closed, but unlocked
- Keep family together and remain calm
- Remember, if it gets hot inside your house, it will be much hotter outside

In your car:

- Park away from vegetation
- Roll up windows
- Cover mouth with dry cloth to protect airway
- Cover yourself with a blanket or jacket
- Stay in the car until the fire passes
- If the vehicle catches on fire, exit only after the wildfire has passed

After the Fire Passes

- Check the roof and exterior of your home, extinguish all sparks and embers
- Check your attic for hidden embers
- Check your yard for burning wood piles, trees, fence posts or other burning material

Returning to Your Home

- Emergency Managers decide when it is safe to return to your home
- Information will be available through the media, at road blocks, shelters, WWW.READY.SLO.ORG or your local fire department
